Executive management will direct all such acquisitions, capital expenditure and disposal recommendations (which exceed their mandate) to the Committee.

The Committee is responsible for formulating the overall investment policies of the group and establishing investment guidelines to further those policies. The Committee monitors the management of the investment portfolio for compliance with the investment policies and guidelines and ensures that performance objectives are met.

- To periodically review and assess the performance of the Committee and its members, including reviewing the compliance of the Committee with this charter. In addition, the Committee members are entitled to call for any additional information and to apply additional procedures relevant to their decision. This includes the engagement of external specialists to express an opinion on any aspect of a proposed transaction.

Members will be provided an agenda in advance of each meeting. The Committee will choose a meeting secretary who will be responsible for taking minutes.
